

WMEA All-State 2018

Wind Symphony Audition Materials

Conductor Score

The purpose of the enclosed conductor score that follow is to provide small school music educators the opportunity to work with their classes in teaching the material. WMEA believes that the exercises are certainly helpful in developing musical skills for all students, whether or not they audition for the WMEA All-State Wind Symphony.

The definition of schools whose students are eligible to audition for the 2018 Wind Symphony has been established by the WMEA Board to be defined as schools with 10-12 enrollments of 750 or fewer as defined by the WIAA official biennial counts. For a complete list of schools eligible to audition for the 2018 WMEA All-State Wind Symphony, view the list posted on our website. Only those students auditioning on these materials will be considered for the Wind Symphony.

This packet includes the conductor's score for the *Wind Symphony* audition materials. This is not an application packet. The application process will be done online beginning September 1, and the application information posted separately at www.wmea.org.

Please contact the WMEA office at 800-324-WMEA, or studentevents@wmea.org if you have any questions.
