Special Rate Associate Membership

You are cordially invited to become an associate member of the Washington Music Educators Association. WMEA is a non-profit association dedicated to the development and enhancement of music education in our state. Active members include music educators, college professors and music administrators.

Associate members assist in maintaining an open communication between WMEA active members and music dealers, educational institutions, musical organizations, clubs, other supportive groups and individu-

als having an involved interest in music education.

Becoming an associate member gives all the rights and privileges of active members except for the receipt of NAFME materials, the right to vote or hold office and the qualification of students for honor groups.

The listed contact person can register for the conference at membership rates unless he/she is eligible professionally to be a member of WMEA/NAfME, in which case that person will need to be an Active Member to receive the discount.

Associate members are regarded by WMEA's board and membership as an elite group that extends beyond their businesses and services by being partners with the music education professionals who in turn support and patronize them. This is the opportunity to add YOUR name to the rolls as an associate member.

To receive ALL the benefits of your associate membership, please return the registration form by September 1. However, your membership will take effect immediately upon receipt if it is received prior to that date.

A WMEA associate membership will provide you with...

- **Membership** in one of the largest state music educators associations in the United States.
- **A subscription to *Voice of Washington Music Educators***, WMEA's official journal, and the WMEA newsletter, *Poco Voce*.
- **Access to the *Members Only* section on the WMEA website**, including the online *Directory of Music Educators in the State of Washington*.
