2019 NAfME All-Northwest Band, Wind Symphony, Mixed Choir, Treble Choir, Orchestra, Jazz Band and Jazz Choir Portland, Oregon

Congratulations! As a result of your outstanding audition, you have been selected to participate in one of our NAfME All-Northwest honor groups in Portland. As a member of one of our groups, there are several steps you must take. Please go over this information very carefully with your parents and teacher, with particular attention to deadlines for registration and payment of fees. If for any reason you determine you must cancel your participation, your teacher should immediately email studentevents@wmea.org so that the next most deserving student may fill your place.

Registration and Payment of Fees

Carefully complete your registration form, obtain all required signatures, and return to your school music teacher immediately.

Payment of all fees must come from, and be processed through your school or district. If you are expected to personally fund part or all of your participation expense, you will need to pay the school, which will then pay the Washington Music Educators Association which is managing this event. Many schools assist students with the cost of registration and housing. ASBs, booster clubs, and other local organizations may be willing to help you. Registration and payment of \$410 must be postmarked by December 12. Late registrations will be charged an additional \$10 each. Your registration fee covers all lodging, meals and activities between check in and the concert.

Cancellation Policy: During December after registering, \$255 refunded
During January, \$135 refunded. No refunds in February for any reason.

Music

Music will be mailed to your school music teacher beginning January 7th.

Note: We will not mail your music until your registration has been received and all fees paid.

Once your music has arrived, label all loose pages in pencil with your name and school. If you believe you have received the wrong music or parts, contact your school music teacher immediately. Finally---practice, practice, practice.

Attendance, participation and behavior

With the number of students and adults involved in making a weekend like this possible, we must all work together in a respectful, positive manner. Students whose behavior is unacceptable to supervising adults, chaperones, hotel or facility staff, will be sent home at their own expense at the first reasonable opportunity.

All students are expected to participate in all rehearsals and scheduled activities. By electing to participate in our honor groups, you agree that you will not leave rehearsals or other activities, including the hotels, during the time involved. Doing so will result in your removal from the group and an immediate trip home. If you are in a school group that has been invited to perform at the conference, your teacher is expected to make arrangements with Todd Giltner at least two weeks prior. Students will be allowed to be picked up 45 minutes before the scheduled performance and must be returned within 45 minutes of the conclusion of the performance.

Following is the official NAFME NW policy regarding attendance:

In the interest of student safety and group management, students will be required to remain with honor group activities for the duration, from check-in until the concert is concluded. Students will not be released for school, church, family or personal reasons barring an emergency or another unique, extraordinary and unexpected circumstance. If students have conflicts arise after registration and choose to not participate in their honor group, they will be subject to the published refund policy. Students missing rehearsal without prior clearance from the All-Northwest General Manager will be subject to immediate return home. This includes, but is not limited to, emergencies and the school music group's participation at the concurrent music educators conference.
