

From Portland International Airport (PDX) to Rehearsal Sites Via MAX Light Rail

Walk to the end of the Portland International Airport Baggage Claim area. Board the Red Line MAX (toward City Center & Beaverton Transit Center.)

For those rehearsing at the Doubletree, get off at the Lloyd Center/NE 11th Avenue MAX Station. Head West toward NE 11th Ave, turn right onto NE 11th Ave, and turn left to the hotel.

If rehearsing at the Oregon Convention Center or Crowne Plaza Hotel, stay on the train and get off at the Convention Center MAX Station. The main Convention Center entrance faces the station. To get to the Crowne Plaza, walk north and turn right onto NE Multnomah, left onto NE 3rd Ave, left onto Clackamas, and right onto NE 2nd Avenue. The hotel will be on the left. This is about a six minute, .3 mile walk.

MAX Light Rail fares are \$2.50 for adults, \$1.25 youth (7-17) and seniors (65+). Children 6 and under free with paying passenger. All-Day passes are \$5 (adult) and \$2.50 (youth/senior). MAX light rail service runs every 15 minutes or so.

- You must have a valid ticket or pass before boarding MAX. Ticket machines and validators are located at the station. Remember to activate your mobile ticket before boarding.
- Signs at the station indicate where to wait and when the next train is due. Signs on the front of each train identify the line (Blue, Green, Orange, Red or Yellow) and destination.
- The doors will open automatically and you can board the train. If you're standing, move back so others can board.
- MAX stops at every station, so you don't need to signal the operator to get on or off. The station name is announced before each stop and appears on a reader board overhead.
