Eligibility---Teacher

WMEA Honor Groups are organized expressly for students of classroom WMEA member educators only. Teachers must maintain current membership from the time of application through honor group performances. By using our online application/audition system, teachers attest that: 1. they are the WMEA member teacher of the applicant, and have the student under their direction in a performing group corresponding with the honor group for which the student is applying; 2. that a WMEA member teacher from the applicant's school was present at the time the audition recording was made. Refer to <http://www.wmea.org/Content/C56/AllStatePolicy.pdf?SecID=816> for complete policy guidelines.

Eligibility---Students

Students must be in grades 7 or 8 and regularly participating members in the school music performing group, offered for credit, corresponding with the honor group for which they are applying. Please refer to <http://www.wmea.org/Content/C56/AllStatePolicy.pdf?SecID=816> for complete eligibility definitions. Regular participation in that school music group must continue through the honor group performance. Students interested in applying in more than one category will need to submit a separate application, payment, and recorded audition for each area. By applying, all students, parents and teachers agree that if selected, students are required to attend all rehearsals, and remain with their honor group from check-in through the concert.

Group assignments

Female singers chosen for grades 7-8 Junior All-State will be assigned to either Mixed Choir or Treble Choir. Male singers will be placed in Mixed Choir. Those selected in "winds and percussion" will be assigned to either Baker Band or Rainier Band. Strings will be placed in Orchestra, although a string bassist could be added to one or both bands.

Expense and transportation

Application Fee: \$10.00 due with application. All audition payments must be made by credit card and instructions are provided within the online application process. (Application fees are waived if your school is an Associate Member of WMEA.) Please note that if a student anticipates needing financial assistance to participate if ultimately selected, **application to access those funds needs to be submitted by the audition close date of October 5.** See the **WMEA Young Musicians Excelling fund** page for complete information.

Participation Fee: \$110.00 due immediately after notification of acceptance. Participation fees cover lunch and all administrative costs. Payment must be processed through the student's school. **Limited financial assistance is available from the WMEA Young Musicians Excelling fund. WMEA Junior All-State Financial Assistance

The **WMEA Young Musicians Excelling** fund is pleased to provide monies and services that provide assistance to Washington students of genuine limited financial means.

This year's WMEA student Junior All-State participants' cost is \$110 per student. For students who TRULY need financial assistance, please follow the steps below:

1. Print out a copy of this form.
2. Ask your music teacher how much your school will assist with costs, and then put that amount on line **B** below.
3. Complete the rest of this form to the best of your ability. **Be sure to fill in lines C, D and E.**
4. Have your parents and school music teacher sign the form and sign it yourself.
5. You or your school music teacher should send it to:

WMEA –YME Assistance Program
 19105 36th Avenue West, Suite 213
 Lynnwood, WA 98036

That request must be postmarked on or before **October 5, 2017**. If you are accepted in a WMEA All-State honor group, your teacher will be notified by e-mail or US mail of how much assistance you have been granted (it may not be all you ask, as the available funds must be distributed equitably). All requests are handled in confidence separately from the auditions and do not impact whether or not you are selected for honor groups.

**THIS IS STRICTLY NEED-BASED ASSISTANCE FOR LOW-INCOME FAMILIES ONLY.
 IT IS ESTABLISHED ON AN HONOR SYSTEM.
 Please ask ONLY for assistance based on true need.
THIS IS NOT A "SCHOLARSHIP."**
