

2019 NafME All-Northwest Wind Symphony Eligible Schools—Alaska

The definition of schools whose students are eligible to audition for the 2019 Wind Symphony has been established as schools with enrollments of 700 or fewer as defined by ASAA official counts. If any Alaska NafME member music teachers believe their school should be on this list and is not, please contact studentevents@wmea.org at the WMEA office for assistance. Please allow at least one week before the audition/application deadline.

- Students from these schools may audition for just the Wind Symphony by submitting the *Wind Symphony* audition.
- Students submitting the complete *Winds and Percussion* audition will be eligible for NafME All-Northwest Band and Orchestra.
- Students submitting **BOTH** auditions are eligible to be considered for ALL instrumental groups (except jazz which requires separate materials) and assigned to the best group and position possible.
