

2019 NafME All-Northwest

Wind Symphony Eligible Schools---Washington

The definition of schools whose students are eligible to audition for the 2019 Wind Symphony has been established as schools with enrollments of 750 or fewer as defined by the WIAA official classifications 2016-2020 counts. Students from the following schools are eligible to audition for, and if selected, participate in the 2019 NafME All-Northwest Wind Symphony. If any WMEA-member music teachers believe their school should be on this list and is not, please contact the WMEA office for assistance (please allow at least a week before the audition deadline).

- Students from these schools may audition for just the Wind Symphony by submitting the *Wind Symphony* audition. Note--in order to be considered for the Washington All-State or NafME All-Northwest Bands or Orchestras, you must submit an application using the complete Winds and Percussion materials.
- Students submitting just the NafME All-Northwest *Winds and Percussion* audition will be eligible for All-Northwest and Washington All-State Bands and Orchestras, but not the Wind Symphony.
- Students submitting **BOTH** Wind Symphony and Winds and Percussion auditions are eligible to be considered for ALL groups, except jazz, and assigned to the best group and position possible.
